## AROUND THE GROUNDS

### This week: Seniors (W) vs Mazenod (A) 2pm SUNDAY

Round seven saw us half way through the 2018 season! With a win against Collegians, we are looking good as we enter the second half of the season. With a strong first quarter, SMS had a good lead at quarter time, which continued for the rest of the match. After half time, we slowed down, which Collegians took advantage of and scored a few quick goals. Things were looking close at three quarter time, but with a much-needed spray, the girls came out firing in the last quarter to run out 23-point victors.

As usual, Ruby Svarc was taking some big pack marks, and at times was lucky to have team mate Meg Boyd catch her mid air! Alicia Schifferle found her place in the backline and played a critical role in keeping their score low. With 11 of our 17 scoring shots being behinds, we've been spending a bit of time in our forward 50 this week, making sure we're turning some of those behinds into goals! This weekend we face Mazenod on Sunday. Last time we met them, we were able to get a convincing win, so will be looking for a repeat on their home turf!  
*Grace Barry*

### This week: Reserves (W) vs Mazenod (A) 12pm Sunday

Let's just say Saturdays perfect performance by the Reserves is one the Collegians probably won't forget... From the first bounce the Saints were flying and showed no mercy. A clean tap in the ruck from Tempary, straight into the hands of Amyee, who smoothly handballed to her next target, was a repetitive sight for the day and helped see the yellow Sherrin fire out of the midfield quickly into the hands of our untouchable forwards.

Despite 5 of our very own brave Saints wearing Collegian colours for the day, (who were probably their B.O.G) the Saints were unstoppable. Goal after goal saw us up 76-0 at half-time and what more could we ask for than a first goal from El Capitano Tiv to top it off.

A quick pep-talk at half time from Simo and Ian meant we weren't going to run back out in and make it easy for them to score. The second half saw Lucy Turnbull lay some unforgiving tackles and Tessa Ashton and Zoe Van Gulick show us how much they've developed this season with their numerous clearances into the 50.

It was a great day for the forward line and it didn't matter which end we kicked to, there was no stopping Steph Binks from booting 5 goals, and Maddy Nunan and Eliza Matheson kicking 4 goals apiece. With 23 goals total kicked for the game, it was exciting to see so many different girls, some in their first season and some in their first game for the Reserves, assist in bumping up the score board with their accurate kicking!

Unfortunately for the backline they didn't see much of the ball all day, but I'm sure they'll agree that it was just as good seeing how our kicks, handballs and tackling skills were well above those of the opposition. A win like that is definitely one to savour! Let's hope the incredible team effort from Saturday can be replicated when we take on Mazenod this Sunday!  
*Sarah Duldig*

**This week: Thirds (W) vs Old Geelong (A)**  
Saturday's game was against premier A reserves Marcellin; we went down 61 to 2. Marcellin was a very tenacious team and pushed us to a new limit. It was great to play against a stronger opposition as we all had to step up another level with our skills.

The first quarter was a wake up call for us as Marcellin came out strong from the beginning, making us realise how tough they were and that we needed to lift our game. For the rest of the match we were switched on and ensured that we used both physicality and determination. We worked hard on ball, which was shown by Alice Nunan, who was great at getting the ball out of the contest and into the forward line.

Despite the score-line, the game was very competitive, and it was only the last quarter that Marecellin were able to get away.

This Sunday we are up against Old Geelong at Mazenod at 10am. Last time we played against Geelong they were very tough but this time we are going to give them a run for their money.  
*Maisie Barry*

-Entire senior team to be praying Charlie upcoming Europe trip gets cancelled  
-All members of the Mens senior team starting to looking at holidays in September  
-Stefan to start telling everyone he is the new Robbie Williams

## AROUND THE GROUNDS cont...

### This week: Seniors (M) vs Old Mentonians (H) 2pm

A beautiful day brought us to Gordan Barnard reserve for our round 8 clash with Old Camberwell. The saints desperately needing a second win for the year and our eyes were firmly set on the 'arch nemesis'. It was a grudge match of sorts, with Nick Latsas playing against his old side for the first time, the ~~Traitor~~ trainer Asagni jumping ship to Camberwell 'for the better quality tape', and geographically; our closest opponents. Sweaters Masstiske had one of his finest single's blasting on route to the game because the fine man said 'you got to be clever with these smaller road trips, no point bringing an album', the sun was shining and we were ready to take down a big scalp. Unfortunately Old Camberwell were just as ready and we're playing the better footy early.

OC were better around the ball, clinical with their possession and hurting us on the scoreboard from the get go. To the saints credit, we stuck in it through effort of Michael Dolan (3 goals) and No Accountability Holmes (4 goals) who found himself scarily far up the ground. Putting it down to the larger ground but there were certain times a de fib could've helped a certain overweight midfielder late in the last half, aswell as a compass as he had never found himself that far away from the big Sticks.

Our midfielders stuck it out, albeit Rowdy trying his luck with an inside out torpedo banana floater thing every time he lined up for a set shot. Unfortunately, our brave effort wasn't enough to get us that second win of the year.

The loss went down with some great efforts around the ground; Rowdy, Jim Curwood, Wongy all playing their part and a huge congratulations to KD who played out his 100th game for the club.

Huge opportunity this week to get some more premiership points against Old Mentonians, unfortunately their seniors aren't as bad as their reserves, who have been voted the worst football team in suburban footy history and if coach Gatehouse wasn't to get the win against them, he'd certainly get the Mark Need treatment  
*Louis Holmes*

### This week: Reserves (M) vs Old Mentonians (H) 11:40am

The Reserves made the long aganising trip all the way to Balwyn North (Kind of a local derby - better than a trip across the West Gate).

This game was a big game for the boys from the morning game. A rough few weeks with the team falling away after half time had the skipper BSF right on top from the warm up. The team was thrown around with Morris

back in to help show some leadership in the backline and Nick 'Snakes' Ludwig thrown in the middle.

The boys started well with Brooks with a great snag early and some great ball movement through the middle of the ground. Execution was the thing that let us down all day with some skill errors being the killer blow. Old Camberwell become persistent with their numbers at the contest and moving the ball forward consistently. The backline did well to hold off but St Marys had a 3 goal deficit at half time.

Energy needed from the boys came in the unlikely but awesome move of Iggy to the forward line for pressure. Consistent tackling and pressure acts from the boys gave St Marys a chance to cause an upset. Unfortunately the boys came up short by points. With a lot of positives heading into a must win game against Old Mentonians, a 4 quarter effort is the only way we will protect the Ferndale Fortress from a 3rd loss in a row.  
*Jake Evans*

### This week: Thirds (M) vs PEGS (H) 9:20am

It was a disappointing day for the thirds on the weekend, with a very polished Carey outfit proving to good on the day. After such a competitive effort the week prior, it was a costly reminder that we have to bring consistent effort every single week.

The boys got off to a flier, with Beau and Hammy kicking a couple of Bunning's finest in the opening minutes. That was where the fun stopped though as some lazy patches let Carey back into the match and ultimately a small lead heading into the first break.

The human vacuum, Thomas 'dyson' Clancy was prolific for the entire day, but a breath taking moment (and basically the only thing I can still remember from Saturday) occurred on the outer wing in the first quarter. Clancy who had already helped himself to 15 touches, worked the ball out of defence with a long kick down the line, only to push those tired veteran legs to crumb the next contest. With a sparkling clean pick up, he gave two would be tacklers the shake and bake before eyeballing, and completely burning me (Smash), who was wide open at the top of the 50. I was so spewing, I actually can't remember where the kick went, but it definitely wasn't a goal.

In a dirty day for most of the boys, Midnight was also in the thick of things, getting dangerous at the stoppages and releasing team mates on the 3 occasions we won the centre clearance. The hungry fella clearly missed his breakfast as he helped himself to 3 of the tastiest snags of the day. Hammy also deserves a special mention, who despite being put together with sticky tape, was clearly one of our best and competed strongly in the thick of the scrap. Next week.  
*Sam Mattheson*

# Flashback: Under 19s Premiership 2013

Beginning the season under the reins of a new coach, Rohan Tainton, the highly touted 19's team chalked up a 19 point loss in round 1 to Therry Penola. Unbeknownst to the side, this would be one of only three losses for the season. Eight wins on the trot, with an average winning margin by 80 points, the Saints sat on top of the table at the halfway mark of the season. Between round 1 and round 9 a series of events unfolded off the field. Unfortunately, after a few rounds coach Tainton had to step aside from his coaching duties, with President Dave Malcolm being left to fill the void. An in-season trade, saw a mercenary from De La Salle Under 19's defect to join SMS, Xave Leonard. Centre-half back Kyle Duerden was diagnosed with Shingles and was ruled out indefinitely. Due to the realisation that the 19's had yet to reach their full potential, coach Malcolm held an intervention to establish what would be the team's priorities for the remainder of the season. After reading a dossier that would outline the team's non-negotiables, each team member had to pledge their allegiance to the club by signing a St Mary's guernsey.

Louis Holmes and Dylan Gook combined for an 18 goal haul in a 241 point demolition of Old Parade in round 14. Another loss resulted in the 19's dropping to 3rd place, which would see them face Therry Penola in the first week of finals.

An opening stanza of six goals to one meant the set the tone of the day, with SMS holding Therry to no goals after halftime. We proceeded into the preliminary finals after a 108 point win. First quarter yips plagued our forward

line against Ivanhoe, with Louis Holmes running into an open goal square and missing. We went in goalless at quarter time, with Ivanhoe slotting three of their own. Kicking 8 goals to 3 in the second half saw the Saints cruise to a 31 point win.

Ted Ajani Reserve played host to the Under 19's North grand final between Old Ivanhoe and St Mary's Salesian. Old Ivanhoe defeated Ivanhoe by 9 points a fortnight prior to advance into the grand final. Nervousness overwhelmed the Saints in the opening quarter, with the ball slipping through the fingers of our power forwards, kicks were missed as we tried to move through the corridor and we were punished on the rebound. Old Ivanhoe claimed a 20 point lead at quarter time.

Kyle Buchanan battled gallantly, with Nick Curwood feeding him through the ruck. Nick Bussell and Charlie Angley controlled the wings and Micheal 'Rowdy' Howard plugged the backline. However, the turning point came due to two notorious incidents at the conclusion of the first half. Dylan Gook had drifted into the back 50 and due to his lack of awareness of how to approach a defensive contest, he opted to nudge his opponent in the marking contest. While he gave away a free kick in the goal square for the act, it resulted in Old Ivanhoe's Centre Half Back and Full Forward colliding, both immediately went off the ground. The siren went, and there was a bit of fire in the belly of the players, a small scuffle lead to an Old Ivanhoe player taunting SMS, "can you guys start trying, it's starting to get boring out here." Ivanhoe led at halftime by 26 points, after St Marys had only

been able to combine for two goals.

While there was a marked improvement in the third, St Mary's had only been able to kick four goals for the game and lagged by 21 points entering the final quarter. Who said the third was the premiership quarter? Coach Malcolm brought the huddle of players together and reminded them that they had been accused of not even trying, that the opposition believed the game had already been won. Louis Holmes turned up to the game in the last, booting his first goal from the boundary on the arc. Xave Leonard got on the end of two, and Dylan Gook began to pull down marks. Matt Curtin gave away three separate centre square infringements, and Old Ivanhoe was able to peg one back. But, all the momentum was going St Mary's direction, where we booted eight goals in the final quarter, to win by 16 points. Skipper Ben Andrews was handed a second medal for being best on ground.

The premiership marked St Mary's Salesian's first premiership since the amalgamation between St Mary's and Salesian Old Boys.

Kyle Buchanan won the league Best and Fairest Award, Louis Holmes won the league Goal Kicking Award (86) and Dylan Gook came runners up with 64.

*James Gallus*
